For five generations, the Lange family has been growing sustainable wine grapes in the Lodi Appellation and in 2006 they opened a state-of-the-art winery to showcase their passion for growing wine grapes—because great wine starts in the vineyard. Sourcing from their estate-grown, certified-sustainable vineyards encompassing nearly 7,500 acres in the Lodi and Clarksburg appellations, the Lange family's distinct advantage is their ability to provide a continuous line of quality from vine to wine.

With their 25th vintage now in barrel, Tom and Anne-Marie Hedges can look back at their pioneering efforts to help establish the modern Washington wine industry. Farmers first, and winemakers second, the Hedges family believes there is nothing more important than expressing the characteristics of specific vineyards. Anne-Marie grew up in Champagne, France, bringing the philosophies of the old world to her new home in eastern Washington State.

Second-generation winemaker-owner Tom Gerrie, winemaker Steve Doerner, and our veteran vineyard team possess a combined 100+ years' experience working this 220-acre estate in Oregon's famed Eola-Amity Hills. Over the past 26 years, Cristom has crafted a style of winegrowing that's an honest interpretation of our distinguished terroir, reflecting the old-world influence of mentors such as Jacques Seysses of Domaine Dujac and Josh Jensen of Calera. Artisan winemaking techniques, including whole-cluster fermentations by native yeasts and a lack of filtration, are the hallmarks of Cristom's house style. Meticulous biodynamic farming practices, a non-interventionist philosophy that includes gravity flow, and enduring brand stability make this a winery with wines well-positioned to place on the finest wine lists and in the best wine shops.

Gramercy Cellars is an 8,000-case winery founded in 2005 by Master Sommelier Greg Harrington and his wife, Pam, to make Rhône and Bordeaux based wines in Washington State. We believe that great wines share common traits: great vineyards, small production, minimalist winemaking, time, and patience. The resultant wines display balance, intense fruit notes, strong earthiness, restraint, and elegance. We seek to produce wines that complement food, provide great pleasure, and stand out as uniquely made in Washington.

When Two Vintners was founded in 2007, Syrah and Merlot were the outcast varietals of the wine industry. However, they are two of the best varietals the state had to offer. Thumbing our nose to those unfortunate trends created the foundation of the Two Vintners label. This willingness to do the unpopular but delicious has helped us create wines that you won't see anywhere else. Our goal is to make a wine that you want to share with your friends and family. Something special that everyone will enjoy.

Hoopes Family Vineyard is a family owned vineyard and winery dedicated to producing premium, limited production Cabernet Sauvignon. We love wine, and we love farming. Our goal is to capture the truest expression of the Oakville terroir in which our grapes are grown. Our wines are classic cabs that capture the relationship between grape-grower and winemaker and constitute an expression of old-world-farming and taste profiles marrying with new-world fruit flavors and ripeness.

In 1996, with forty years of winemaking experience, Jim and Mary Dierberg’s dream of producing wines worthy of their 250 year plan became a reality. After a long search through France and Napa, while learning the craft and making wine in the mid-west, they discovered the potential of Santa Barbara’s cool coastal valleys. The family planted two estates -first their namesake Dierberg Vineyard and later Drum Canyon Vineyard – both under their DIERBERG label. These estates, along with the family’s iconic warm climate site Star Lane Vineyard, culminated in a trio of peerless properties in Santa Barbara County.

“I like to make wines that are elegant and have good balance. My style of wine has forward fruit that carries to the mid-palate and a long sustained finish. I like to use the oak to enhance the varietal identity of the wine and not mask it. Wines that are jammy and alcoholic are not my style.”

In the late 1930s, our Grandfather, Irv Bliss, was drawn to Mendocino County by its beautiful rolling hills and unspoiled land. Years later, Irv heard of a Mendocino property for sale. He gathered all his savings and headed to the auction to bid on the property sight unseen. As fate would have it, the land Irv purchased was the original 450 acre ranch that captivated him. We celebrate the land Irv passed on to us by showcasing the rich fruit we grow at Bliss into every bottle of wine we produce.

The story begins with our grandfather, Irv Bliss. In 1943 our grandfather got his chance to purchase a plot of land in Southern Mendocino County, immediatly planting our original 450 acres vineyard. In 1980 his son in law Leonard Brutocao took over the business. In 1991, the present day winery was built, and our first Estate vintage was produced. Around the same time, Leonard's three sons, David, Len, and Steve, joined the family business.

The inspiration for 14 Hands wines recalls a time when wild mustangs once freely roamed the hills of eastern Washington State. This unique and beautiful landscape that gave these unbridled horses their spirit and tenacity that now feeds our vines. With loamy-sand and gravel soils, these hills require a strong and determined grapevine resulting in big, bold, juicy red wines and crisp, fruit-forward white wines. 14 Hands wines have been recognized for their approachability and strong appeal with five Impact Magazine "Hot Brand" awards and being named Market Watch Magazine's Wine Brand of the Year in 2012

On a fall day in 1976, as ravens taunted from tree branches above, Joel Peterson worked doggedly to bring in four tons of grapes before a looming thunderstorm hit. The fruit he crushed that night was used for one of two single-vineyard Sonoma County Zins – the first wines to bear Ravenswood’s signature ring of ravens. Ravenswood’s “No Wimpy Wines” credo says it all – embrace the bold, abhor the bland. From our flock of Single Vineyard Designate wines, as unique as the individual vineyards they’re from and the people who farm them, to the County Series wines that capture the spirit of California’s best growing regions and the popular Vintners Blend bottlings sourced from vineyards throughout California, we strive to put what we pick from the fields right into the bottle. Unadulterated, unapologetic, unfussy, unwimpy.

Drawing on a combined four decades making wine in California, France, Italy, and beyond, they are focused on attaining the perfect balance of perfume, poise, and puckishness. Sourcing from a number of carefully farmed, family-owned, own-rooted 19th and early 20th century vineyards (and a few from the late disco era) planted by and large in more moderate, marine-influenced climates, their preoccupation is to safeguard the quality

Adelsheim Vineyard was founded in 1971 and is still family- and Oregon-owned. We create remarkable Pinot noir and Chardonnay wines with most of the grapes now coming from our ten estate vineyards in the Chehalem Mountains. The variations in the vineyard soils, elevations and mesoclimates give us important differences in ripening times and in the flavors, tannins, sugars, and acidities of the grapes. Our wines always taste of their place. In the winery we are guided by traditional techniques and non-intervention but we are also not afraid of experimentation to achieve our high goals. We were part of the founding of Oregon's wine industry and are still industry leaders, aiming to bring Oregon wines to the world while championing the traditions of collaboration and a focus on quality that have always been the hallmarks of the Willamette Valley wine community.

CHEHALEM boasts a rich history of innovation, sustainability, and exceptional quality. Known for our single-vineyard Pinot Noirs and a progressive approach to white wines, we firmly believe that outstanding wine should accompany every course of a meal. First established in 1980, pioneering grape growing in the prestigious soils of the Ribbon Ridge AVA, today we have three unique estate vineyards planted in three distinct designated winegrowing regions of the Willamette Valley AVA. Our sites and winemaking style reveal wines that emphasize balance, elegance and texture. Old school winemaking, Oregon style.

What started as a grape growing operation that sold 100% of its production to other wineries today has evolved into a grapes-to-glass family business that crafts authentic and elegant wines. Our Scheid Family Wines portfolio now includes five unique and distinctive labels: Scheid Vineyards, District 7, Metz Road, VDR and Stokes' Ghost.
